

Monthly Parking Account Management

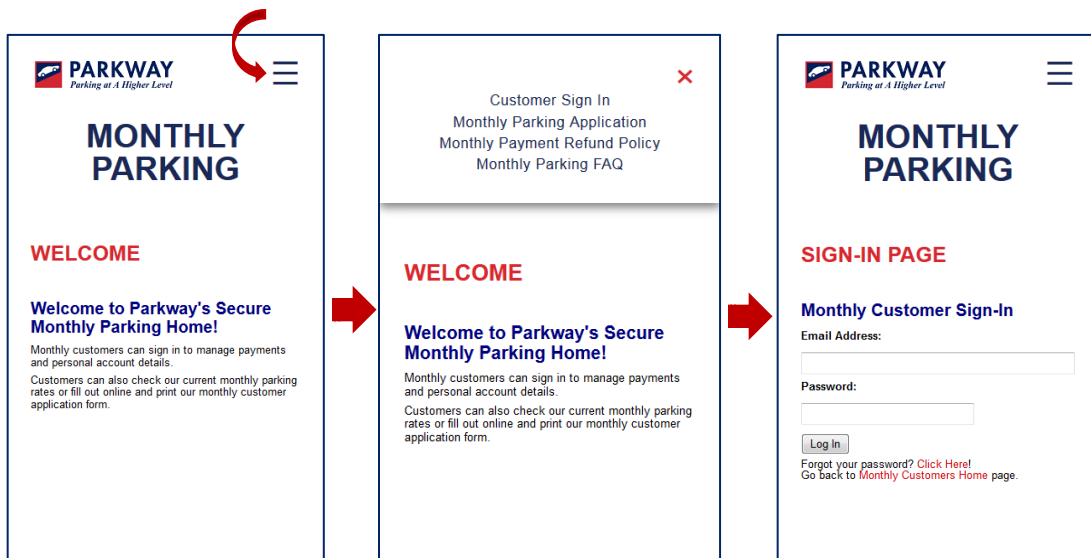

June 2019

Parkway is pleased to announce improvements to your monthly parking account management experience! Our web sites have been updated and now feature better support for mobile browsers.

The my.parkwaycorp.com site on desktop browsers will welcome you with the same tools and a cleaner look.

Mobile browser users of my.parkwaycorp.com have the same options which are available from the menu at the top right.

As always, you can still find monthly account management (and other great information) on our www.parkwaycorp.com web site. Select the [Monthly Sign In](#) link on either desktop or mobile web to access your account.

We are proud to have served the community since 1930. Thank you for your business!
