COME ONE.....COME ALL.....

MEET YOUR NEIGHBORS AND HAVE A CHEER! You will be supporting a vital cause. One which concerns all of us. All proceeds will go to stop these proposed I-95 RAMPS.

Among the happenings there will be various tables of food, many of these will have different national dishes. Also, we will have live entertainment, a cake sale, a White Elephant Sale and a Raffle (a basket of cheer and a bicycle). Many of our talented neighbors will bring their wares for an arts and crafts show.

Come out and join the party. Help us save the neighborhood while you enjoy yourself having a happy time.

An added attraction will be "Princess Eleanora" professional Palmist and Astrologer. Will analyse the lines in your palms. Will interpret your dreams. Will read your eyes.

P.S. Volunteers are needed. We also need donations for the White Elephant Sale. Anyone interested call WA 3-6357 or WA 5-5972.
